sure she appreciated what ~~that~~ ^{they} did for her. I do credit them for that. Because I don't see anyone else trying to help her out.

If ever there's anything doing for here please let us know. If we can't come then well will contribute something.

Roger had ~~to~~ some apprehensions about going but I felt they were groundless since it was a Malcolm X affair. I didn't know there was a B.N. group only honoring Malcolm X. They've been at every gathering I've attended for Malcolm ~~but~~ so I knew they would be there but I didn't know (since you were the host) they would be sponsoring it.

As soon as Roger gets another job we would like to have you over for dinner. My new phone no is 2193-3428. Please call me if anything is going on. And some night I do wish you and your husband would drop in so we could really talk about a lot of things. I forgive me once again. Mellina

Dear Mary

Received your letter and
very much appreciated it.

Forgive my emotionalism
and harsh words.

I don't want to dwell
on it here, but suffice it
to say that in principle ~~and~~
and theoretically we disagree
but respect your wishes
and my reaction was out order.

I've been to "Some Parties"
before (with Roger) and while
the reaction has varied. I
I have never been subjected
to what I ~~report~~ experienced
that night.

I do hope Sister Betty
is faring better and I'm
