about R. N. A. Could you find to me <sup>their</sup> ~~gene~~ general information, history, organization, background, program, activity etc, to better understanding of the other black movement.

In the last issue of our magazine, we reported about the YLP. I sent them a letter, but their address was moved. So please tell me their new address.

My comrade, chief of ~~the~~ <sup>the BPP solidarity</sup> ~~magazine~~ committee in Japan, visited China. It was a great trip and we know how they, Chinese people, see the revolution in the world and how strongly they consider the Black people's just struggle as a important factor of it.

Please tell our strong solidarity ~~to~~ <sup>with</sup> to your brothers and sisters who are fighting.

All power to the people!

yours T. Hatano.

P.S. My address was moved. That post box is dangerous now! Please write to the new address.

Dear Sister Mary Kochiyama,

I'm sorry I haven't write you so long. I received your letter and your sending materials.

Your suggestion on the Tiao Yu Tai was very useful for us. So we put some of them into Japanese and discussed with the Okinawan revolutionaries about it. We also put your letter and some in our magazine "Support the B.P.P." <sup>in</sup> <sub>under</sub> the name of Mary Kimura of AAA in New York. I like to beg your pardon about that I did it without your allowance. Please see P.53 of the magazine which I'll send you soon.

We are now working together with the revolutionary Chinese living in Japan, who are most oppressed as well as Koreans, Burak-people (Unliberated untouchable peoples of the lowest Japanese). These Chinese and Koreans youth are trying to develop their own Panther type of organizations. I showed ~~to~~ them the papers "Getting Together" of I work in and other Asian-American's. They were very very interested in them. They will write to I work in.

I like to ask you to send me <sup>all</sup> back numbers of this year and every newly coming issues. Could you ask I work in? If they need money, I'll send it to you or them.

~~Secondary~~  
In the next issue of our magazine, No. 4, we'll report about the murder of brother George Jackson and his articles. We lost the best revolutionary.

I haven't received any writing from N.Y. Panther. I like to know what going on in New York. And also
