

January 4, 1966

Dear Mary,

What a late start with cards but this is ridiculous. I went out one stormy like night just before "M Day" (moving) with my brother and selected the cards myself — refuse to "save them for next year" (as someone kiddingly suggested). Determined to write and you're way up on top of my list.

Before going any further, thanks so much for your much appreciated and treasured "Christmas Cheer." Missed last year's issue, probably because we moved about that time. You have no

idea how much I enjoy
reading it, especially
the children's columns —
they're all so talented just
like you. I have your
"Christmas Cheer" of '62 and '63
sitting in front of me. It's
amazing how much they've
grown in their thinking,
to be keenly aware and
concerned of our problems
today. You and Bill
should really be proud!

Almost collided with
Santa as we moved again
on the 23rd. Our new
address: 7701 S. SAGINAW AVE.

Last year was pretty
bad, hospitalized for 2 months,

left in October and still
convalescing. It was the
same disease which left me
with a "broken" heart valve
19 years ago but this
time the treatment was so
modernized I had no further
heart damage, thank goodness.

Many thanks again
for remembering me every
year. Wishing you and
your family a happier 1966!

Love,
Sachi

p.s. I wish you could
print each child's age
next year. Enclosed is
my small contribution.
Please don't stop!
