* * A TRIBUTE BY ANITA PINEAPPLE **

My heartfelt thanks to the many friends who sent contributions to the JOHNNY KAONOHI PINEAPPLE MEMORIAL FUND, the HEART ASSOCIATIONS in Hawaii & the Mainland, CANCER FIGHT FOR SIGHT & masses that were held all over the Mainland. Just to mention a few - the Alfassys in New York, Ruth Findlay in New Mexico, Bill Greco in Port St Lucie, Florida, James Conmay in Buffalo, New York, Pacita Brudermann in Las Vegas, Nevada. To Calvin & Thelma Chun in Hawaii, LeMoynes in Ohio, Evelyn & Irving Migden in Philadelphia, Eve Saligman in New York. So many beautiful sentiments were expressed by so many. Forgive me, that all can't be mentioned, but will never be forgotten. Joyce & Don Francisco wrote that they have Johnny's picture on their dresser for 15 years. Grace Stlake of Jersey City wrote she has his photo on her wall for 40 years. The Hawaiian Music Foundation & Hawaiian Visitor's Bureau in Honolulu had fine tributes in their publications. Also the International Musicians & Musicians Square Club carried a photo and lovely tributes. People wrote him - who had heard him sing, will never forget his beautiful voice. Also, he touched many, and he made their lives fuller. Space does not permit the names and their beautiful sentiments - all which Johnny richly deserves - a warm, kind and beautiful person who cared and loved people & the many wonderful and talented people who were part of his company. A special thanks and love to Vickie & Francis Racimo for their loyalty and devotion who came down to my apartment every day to make sure I was okay. Thank you GOD for the many fine years and beautiful memories I have. I am so lucky and so proud to have been Johnny's wife, a true and wonderful native son of Hawaii.
