Dear Brother & Sister,

We have received your
more than welcome letter and the
literature for which we thank
you very much.

We shall be in New York
City during the Malcolm X Birthday
celebration on May 19, 20 & 21, our
daughters have been named "Twins
of the Year" for the Souvenir book
so they will also attend, no
doubt it will be quite a trip
traveling with two babies, we
are very busy just now
selecting names for the book

and running to the photographers
Will you be attending
Expo '67" here in Montreal, I
guess most everyone who lives
near by will attend.

I will be quite busy
during Expo as I work every
day, I board the children, but,
If you are coming up my
husband and I would love to
have you stay with us even
if you & your husband have
to be alone during the day my
daughter who is 13 years old
will be home and she could
be your guide. We both love
our vacations the last 2 weeks

in July. So we do so hope
you can come up during
the summer as it is
nice to meet ones own people.

Hoping to hear from you
in the very near future, oh yes
by the way 'Lumiere' Noir
is no more we went down and
it's shut, pending new
management.

My husband is a ban
Montreal and I am from
Nova Scotia.

I don't have the exact
figures on the population
of the blacks, all hand
but, I will find out and

let you know in my next
letter

Yours In Brotherhood
The Shalwan's.
