

March 29 67

Dear Mary,
Any new develop-
ments?

Do you have any current information regarding the war? Especially the Afro-American casualty rate and information documenting the war as a civil war rather than an invasion of North into South. I understand the Viet Cong forces to be composed of both North and South Vietnamese, correct?

UCLA

Peace Demonstration
on April 15 is gaining
momentum I hear. That's
great.

I'll be sure to have
Joan look up Penny
Brown(?) when she goes into
Richmond next week.

Stokely went down
to Virginia state a
couple of weeks ago
and raised a little band.
He'll be here around
29th of April.

What is Charles 37X's address?

Do you think Malcolm's sister could come down?

It would be great to get them all down in April.

Tell Audee I'm sorry I missed her over the holidays.

Thanks again for your hospitality

Peace

Brother George
