As a result of recent budget cutbacks in the L.A. Unified School System, San Pedro High School has been hard hit like many others. Fortunately, our school has the largest support group in the city, known as the "PIRATE BOOSTERS". The Pirate Boosters are made up of two groups: the Lady Boosters and the Men Boosters. Both groups organize many fund raisers, such as this program tonight. All proceeds raised by the Boosters go directly to assist the students at S.P.H.S. in both sports and academic needs. To insure the continued success of our booster programs, we encourage new membership. To inquire about membership, contact Mr. Risto Herrera.

A Word of Thanks

The San Pedro Boosters would like to extend their sincere thanks to all who supported our organization by purchasing an ad in the Football program. Please contact Mr. Andy Kustich at 831-8009 or Mr. Bill Seixas at 832-8560 for Advertisement information. We would also like to recognize Dr. David H. Smith who donated his time and effort, to give each athlete his required physical examination. Doctor Smith also will provide his expert services on the sidelines this season, thanks to Dr. David Smith, located at 1350 W. 6th street, San Pedro.
