Dear Mary and Bill,

I didn't realize until
tonight that your names
had been omitted from the
Honorary Pall Bearers list.

I'm embarrassed. I
did have it listed on
the original ^{copy} I gave to
Rev Alpha Goto. Your
name was listed, more
or less, in alphabetical
order after the Stanagas.

My apologies!

Rev. Goto, however, did

(over)

P--2

Point out the omissions
and errors at the beginning
of his Talk; but he didn't
mention leaving out the
Kochiyamas.

I'm looking forward
to going to New York and
if there are any advance
expenses incurred please
let me know.

Love,
Joe Oyama

P.S. As you may well know
I am still deluged with
stacks of unacknowledged
condolence cards and
"koden" received. I'll
be glad when this is
taken care of.
