M. M. Masaoka
Dear Mary and Bill,

Received your letter of 9-23-87; secured Mike Masaoka's address; attaching a xeroxed copy of my communication with him; PC made an error; have yet to follow up my search for the special monogram; am still in process of revising my Why Redress letter; will keep you posted.

Mr. Frank M. Takahashi

Dear Mr. Takahashi:

Frank

Knowing that you required an early reply to your letter dated August 5, 1987, regarding two items of interest for your letter on redress for American Japanese, I have briefly neglected my regular work to provide you with the following responses:

1. Concerning my statement relating to the proposed sterilization of young Japanese Americans, may I refer you to page 19 of the book "America's Concentration Camps," by Allan R. Bosworth, by W.W. Norton & Company, Inc., 1967, which notes that a Louisiana Congressman by the name of Jed Johnson suggested that appropriations for the sterilization of all of Japanese ancestry be approved.

2. Regarding the classification by Selective Service of Japanese Americans into the Class IV-C registrants for "enemy aliens," refer to page 114 of Special Monograph No. 10, Volume 1 Text, of the Selective Service System 1953, by the Government Printing Office.

Since I am no longer with the Japanese American Citizens League, and since I am representing the Go For Broke Nisei Veterans Association pro bono, regretfully I am not in a position to provide you with any future statements, etc., which I may make, since I have my own small business to take care of and no time or facilities or funds to do more than I am now doing in the common cause. I hope you understand.

Sincerely,

M. M. Masaoka
