Dearest Yuri and Bill -
May every day in
'85 be Christmas for
you!

ADDRESS

Wishing you
everything beautiful
at Christmas!

We so appreciated your Christmas
message (what incredibly lovely
script - it that you artists, Yuri?)
which was far, far more meaningful
than the usual ~~inane~~ holiday greetings.
As a matter of fact, it inspired me
to do a stationery/cards which

would give the appeal for
contributions for starving Africans
and give an address on two. If
you run across the picture of a
skin & bone African baby which could
move the hardest heart, do
please clip and send to me
as I'd like to include that as well.
You and Bill are doing so very
much, it is mind boggling!
By the way, we greatly enjoy
your contributions to the media,
you write superbly, and wish you
could send some to Scholastic
sometimes. Call me, if willing. Love, Michi
