

Sending this on 5/24/83

Dear Mary,

though I've spoken to you over  
the phone in the meanwhile!

Just a 2-minute notice as we have been  
asked by Mrs. Curtis B. Munson to please  
come to Washington, D.C.; she feels our talk  
would be "productive".

Enclosed is a check for \$50 towards the  
Taxi project to help start the ball rolling.  
I'll help you with the postage, too, but this'll  
have to wait until we get back.

As you can see, I've been jotting <sup>down</sup> names  
as I think of people who might be  
contacted. You are absolutely amazing to  
be the driving force behind such a  
Himalayan undertaking. So is Bill, to be  
such a constant support!

Love,

Michi
