

R.D.S. MARSHALL

4-4-'75

Michi- What disturbs me is not that this sinister man should get decorated with the "Medal of Freedom", etc but ~~that~~ Rep. Ottinger, s family (who is continually being referred to as a liberal) should have contributed so much to Bendetsons post war success. It reminds me somewhat of Hitler and the Pleyel family situation in post WW I Germany. No one to my knowledge has even tried to investigate that tieup.

I often wonder)with a great deal of disgust WHO ARE THE

R.D.S. MARSHALL

-BAD GUYS)
