

Dear Bill and Mary

Thank you very much
for your letter and the pictures.
I was very glad to receive them.

It was very nice of you.

I am very sorry that I have not
written to you for so long.

I am thinking of you and your
family several times.

I have been busy time,
I have lessons in English
from a private teacher, twice
week. I heard from Mr. Cousins
that Mrs. Takayama will be
here some time next week.

If it is convenient, I would
appreciate your sending me the
negatives of my pictures, because
I would like send to Japan. I will
send the negatives back to you
when my pictures are developed.

I expect to see you some day!

Please give my love to your
sweet children.

With love

Shigeko
