* Dear Mary:

Thank you so much for the note you wrote me thru Yoshio. He, Yoshio didn't open it till day before yesterday when he came home for the week-end. You see he works & lives in New Jersey and comes home only on week ends. Not every week end either. He is for working at Fort Monmouth & lives in Red Bank.

He did not come home on the Memorial Day week-end because there was a wedding he had to attend in New Jersey so he couldn't have gone to the Dance that you had invited

him to. Anyway it was so kind and thoughtful of you to have remembered him and his birthday too. Please forgive me for not remembering your children's birthday but hope that each and every one of them will have a very happy birthday and many many happy returns of the day!

It certainly was a sad news about Hideko's son. It was a surprise to us for we didn't know that she was ill till about two weeks before she passed away. In a way I am glad that she was able to come to America and enjoy a little of comfort and to see things that she wasn't able to see in Japan. We only trust

in God that He will do whatever is best for all of us.

You probably must have heard about Kinowa san. She is in Europe with some of her classmates from Parson School, studying ⁱⁿ London Paris and Rome. She is doing very well in school so she received a scholarship from school to study there during this summer. Isn't that wonderful?

Shigekisson is still with the Cousins up in Connecticut. We went to visit them about 3 or 4 weeks ago.

Both Mr. & Mrs. Cousins are very nice people. Unassuming ^{sp} people.

Please excuse my scribbling. I'm late to go down town to report & so I must rush. Thank you again.
Sincerely, Mrs. Naita

"Hello!"
