FOREST HILLS, N. Y.

October 8th

Dear Mary,

Thanks ever so much
for your nice letter. I did
enjoy meeting you so much,
and had been intending to
write and tell you how
glad I am to know you.
You were very kind to
send me the name of the
book store.

It is wonderful to
know that you are nearby
and hope Joyoke and
we shall often have the

pleasure of seeing you.
I can't tell you how much
I enjoyed seeing your
children and the Inter-
national Student House
which is your home.

Toyoiko greatly ap-
preciated the invitation to
the luncheon, but regrets
she cannot get out of
school for it. She sends
you her regards.

Best wishes
Affectionately,
Jda
