Accompanying the Mission will be  
**BARBARA REYNOLDS**  
 who with her husband Earle Reynolds  
 sailed in the yacht Phoenix into the U.S.  
 test zone in 1958 to protest nuclear testing;  
 and who in 1962 made a world Peace Pilgrimage  
 with two young Japanese survivors of the A-bomb.

The Mission will hold  
**MAJOR MEETINGS IN**  
**HONOLULU LOS ANGELES ST. PAUL CHICAGO**  
**ST. LOUIS ATLANTA NEW YORK WASHINGTON**  
**and other centers**

- ... from which participants will be available for speaking engagements in other communities of the area.
- ... Each participant hopes to meet with groups of which he or she is a member, as YWCA, Lions Club, churches, World Federalists, etc.
- ... The group will seek audiences with officials of national and local government and of the United Nations.
- ... The scientists and professional men and women in the group will meet with their counterparts throughout the United States,
- ... while others of the Mission travel across the country by BUS CARAVAN, with display exhibits, holding open air and indoor meetings and film showings in towns and smaller cities.

On leaving the United States the Mission hopes to continue to  
**ENGLAND FRANCE GERMANY**  
**THE SOVIET UNION AND MAINLAND CHINA.**
