Dear Yuni,

Hi! Long time no see. Hope you have been doing well.

Thank you again for having invited me to your house for the screening of Mr. K. Ando's work. (That was a while ago, and my thanks are long over-due...)

I'm sorry I haven't been in touch, but I've been busy in pre-production for my own film. I'll be leaving to shoot in Hong Kong soon, and I'm sorry I didn't get to return your photos in person because of all the things I need to prepare before I leave.

But sometime in the future I'd love to drop by and give you a couple copies of my film. I hope you'll like it.

I'm returning these photos on Renee's behalf for she's back in L.A. & I've been helping her with things in New York.

Take care and best wishes —

Laurie Wen
