Dear Bill, Mary and Children,

It was swell seeing you folks in Los Angeles for the Reunion and regret that I was unable to see more of you as it was necessary for me to return north right after the Company night activities.

Wayne Kanemoto informed me through your brother, Mary, that 2 of the children were hit by spinal meningitis, I believe, and that was why you folks were unable to come north later. Gee, it sure is too bad. We do hope everyone is fine now and that the children were not affected seriously. Of all the people, it would heart to happen to your family.

We moved from Auburn on Sat. August 2nd, to our new address in San Mateo, not too far from San Jose. We bought this much larger house 20 miles south of San Francisco so will always have room if you come back this way.

Our second child, Ingrid, was born on ~~Dec~~ Feb. 10 and she is a real living doll, with a mop of wavy or curly hair and so full of smiles. Ernest, the boy, is much more serious but now he has many children near his age so may become more sociable soon.

We moved just in time to be host to some of our "Company I" boys when they came north from L.A. Our Company boys in this area arranged an elaborate program for the gang from Hawaii that took them through Vegas, Sequoia + Yosemite Nat'l Parks and several days tour of this Bay area. Some departed for the east this week and others headed back to Hawaii.

I am now working for the Veterans Administration in S.F. and enjoy my new job. We're all fine and wish you all the best of everything -  
Love to the children -

Wilson, Marga, Ernest + Ingrid
