Dear Bill & Yuri & Eddie,

Let me start by apologizing for taking so long to write and thank you. I saw your letter in the paper and realized how you are able to keep up with writing etc. Something I would like to learn. Anyway, I had a great time in New York and appreciate all your hospitality. We, Evelyn & I, both felt very comfortable, as usual. By the way, the taxi made it in plenty of time. I hope you didn't worry too much.

We've been busy here with leaflets and getting the word out for more letters and mailgrams for redress. I sure hope you can make it to Wash DC.

on September 17th for the vote and hopefully, it's positive. Susan Mukai is back at the school where Dan & Mayumi are now. School & work will start for me next week. It's been a very hectic & busy summer. The best break was New York — sorely needed.

Eddie, when are you coming to L.A? Give us a call when you get here and we'll try to find a place to hang out. Thanks again for everything and next time, we'll make sure we all go eat at the Epidour restaurant!

Love,
Kathy Masarba
