

you-

here is the article i was  
talking about. also, about the  
Kew Gardens case - Lumumba  
felt it isn't necessary to  
run down because it is  
over w/, so unless you want  
to ask Kwando or some of  
the other bros. about it i  
didn't bother to re-type it.

yuri -  
I'm giving of  
you a copy of  
the notes so that  
anyone who questions  
about the benefit  
can be shown that  
we are aware of  
& will try to correct  
these valid criticisms.
