## President's Report

In June we finally had a general membership meeting at the DAV. In November, the AJA council will be having a Beer Bust at Club 100. Your president is the president of the AJA council this year and hopes that similar events can come to fruition next year.

The special annual membership meeting of the 442nd Veterans Club was a moderate success based on the number of members, wives, and friends attending. The beef stew and rice with fresh poke donated by the United Fish Agency through the Otani Fish Market was a delicatessen's delight as catered services go. President-elect Henry Kuniyuki conducted the program with clock-like precision. George Nakasato apprised the members of the upcoming Golden Anniversary. President Ron Oba held a short membership meeting as required by the constitution after a hibernation of many years in holding these meetings. Oba introduced the Honorable U.S. Senator, Daniel Inouye as an E Co. veteran who gave an excellent account of our induction through Camp Shelby. E Co. members through Terry Ihara kept everyone satiated.

### Sons and Daughters

Your president has appointed Jimmy Miyake of Service Co. to serve as the Advisor to the Sons and Daughters. A very fruitful meeting was held on July 14 whereby the S and D will ask to become one of the chapters of the 442nd

organization. They plan to initiate a dues paying membership to the S and D and to also encourage its members to become mother club members on a yearly basis or life membership basis. The meeting was very encouraging in that a new president was elected, a treasurer and a reporter named for the Go For Broke Bulletin so that their news can be conveyed to all dues paying members. They plan to become more self-sufficient.

### AJA Veterans Council

The AJA veterans Council has embarked on a program to close our ranks and socialize to get to know each organization better. Koon Hin Choy of the MIS is the chairperson for the November 15, Sunday "Beer Bust." The Utanokai and Ukelele clubs will perform as well as individuals such as Kaz Tomasa who will sing a few songs. Please purchase the \$7.50 tickets for this event. We are also accepting donations of beer from participants.

Your president would appreciate hearing from you of new ideas and new ventures to stimulate our organization.
