

SUMMATION

Looking over the last 5 or 6 years in our redress movement, we can all be proud of the strides we've made. ~~But,~~ as with all things, progress does not proceed in a straight and direct line--but in strats and stops, in ups and downs. The ~~most recent victories~~ <sup>recent</sup> ~~victories~~ won by our community in the ~~past~~ <sup>past</sup> recent weeks should serve to remind us, that with every ~~victory~~ victory, comes the taking on of new taks, more work, <sup>to move to</sup> the next plateau.

There are several things to be underlined as we move forward:  
 — March 1973 Hearing - City Council - and our resp. to ~~follow~~ <sup>its</sup> ~~program~~  
 --there is the ~~no~~ lobbying to be done, as outlined by Sumi Koeide  
 — 3/19 + 3/20 - Sub Cmty - Hearing on the Senate Bill  
 --there is the class action suit to persue, and the meeting for interested persons in this area, tonight at the WJ.A. United Chure.

--There is the <sup>Yasui</sup> final suit in ~~the~~ ~~corium nobilis~~ case, Yasui

SUMMARY -2-

--and hopefully, by ~~our next DOR~~, we will celebrate the passing of a New York City Council <sup>Resolution</sup> ~~is~~ support of our ~~xxx~~ cause.

--The DOR has become a tradition in our community...it is a time when we come together to reminisce, to educate ourselves, and to feel ~~h~~ feel the strength and support which is so often missing in a scattered community such as ours.

†-Our past 6 programs, have been supported by the community--by ~~xxx~~ sponsoring organizations ~~xxxx~~ and individuals such as yourselves. To be ~~xx~~ able to continue this tradition, we need your support. Please contribute freely in the ~~xxx~~ baskets placed in the back.

--If there is one characteristic which stands out in our community over the past 44 ~~xxx~~ years, that would be ~~xx~~ one of perseverance; and the strength that comes from it.

--The issei and nesie ~~xxxx~~ preserved ~~xxxx~~ ~~xxxx~~ through a very difficult time, and now as a community, we must ~~xxxx~~ use that
