Dear Yuri and Bill,

How have you all been? I've been fine, but very busy. Between the R & R and the Jackson campaign/Rainbow work it's been quite an Autumn season.

Anyway, I got some R & R stuff from John Ota in California. He asked that I pass some on to you.

So since I was sending you stuff anyway, I thought I'd drop in some RAINBOW materials, too.

I hope you can attend the program on the Jesse Jackson Campaign - it's going to be a real good program. Roger Green is a GREAT speaker and Roger Allison's presentation should cover some new ground.

Stay in touch.

Peace.

Mike
