Dear Chris -

Skulon! It's been a long time since I last saw you so I'm not sure if you'll remember our meeting - in any event, the important thing is to re-establish communication & develop a relationship from this point. I'm Carl Takamura (from Hawaii) and I met you last summer in New York. I hope things are fine w/ you - and with AAA.

I have been in Japan now for about three 1/2 months - mainly I've been doing language study and running around. I'm now living in Kobe, but planning to move to Kyoto in March. As you may recall, I came here primarily to learn about the education system & the student movement, so far, I haven't made much progress on either, though the student movement is really disorganized and confused now anyway. Still, I've made some good contact w/ Beheiven and plan to be working closely w/ them while I'm here. In any event, I feel a strong need to develop a contact w/ someone back in the States who could interpret some of what is happening there for me, and hopefully I would do some for on situation here [though insecurity of mail ~~is~~ will present problems]. One thing I'm interested in - and some people I've met here are too - is the emergence of militant Asian-American groups in the U.S. Thus, I wonder if you could send me copies of AAA's newsletters - and also give

me some contact names for similar grps. in the West Coast "Asian Racial Movement" etc.. The best regular, in English I think you've already getting (if not, I can arrange it). I can also send clippings & other thgs I'd might be interesting.

I know this is somewhat scrambled & illegible, but I hope you get the message. Take care - and I hope to hear from you soon -

☺ & Love
